

Dear Robin,

We just wanted to thank you very much for your hard work to put together a great honeymoon for Matt and I. You took so much time out of your day to make sure you really understood who we were so we would have the most enjoyable vacation.

The [Hideaway Resort](#) was beautiful with many activities as promised. We had time to kayak, snorkel, hike, swim, explore the beaches, and play tennis. The food is great with many choices. Our room was beautiful and the service was great. The trip with Rivers Fiji was a wonderful experience!! Moses, our tour guide was very knowledgeable and friendly. The Upper Navau White Water Rafting was exciting for beginners. I didn't fall out of the raft once! The transfers with Rosie the Travel Service was great during our whole trip.

After a few days at the Hideaway, we traveled to Kadavu to stay at [Papageno Eco-Resort](#). We loved Papageno, and I would recommend it for travelers who are adventurous. I can not say enough about Papageno. We met Annaliese, the owner on our flight, and several other staff members. After we got off the plane, they immediately took us on a 30 minute boat ride to the resort. We were greeted by the entire staff singing to us, helped off the boat, and given a coconut welcome drink. I immediately felt right at home. Since there was only a small amount of guests staying, we became close friends with everyone. I really enjoyed the connections we made with people from all over the world. It is like you are family with the guests and even the staff. You get to know the staff by name, and they remember you!

Even though the weather wasn't the greatest during our last couple of days, we really found a lot to do there. We took a waterfall hike located on the grounds of the resort. We enjoyed the beautiful gardens, the animals (chickens and pigs) on the grounds, the parrots which are being rescued, and the food is fresh and excellent. Everything is grown at the resort, or caught at sea, and served family style. My husband that is the pickiest eater enjoyed everything he ate! We also enjoyed our picnic on Long Beach and the snorkeling was great. We traveled with two staff members to a nearby village and participated in the kava ceremony. It was so interesting to learn about the Fijians and their culture. We kayaked at the resort to a little island and explored that. We received great massages, and finally hiked to 3 large waterfalls with two of the staff members which was a very memorable experience. Our room was the best one at the resort, overlooking the ocean. I was very sad to say goodbye, but I know I will travel back again someday. The staff sang goodbye to us, packed us lunch, and tied flowers around our neck as our farewell. Overall, Matt and I had a great honeymoon!! Thank you so much for your help again Robin!

Sincerely,

Andrea and Matt G.
